NPIC/TSG/RED-229-70
22 September 1970

MEMORANDUM FOR: Chief, Operations Division, IEG/NPIC

ATTENTION : [REDACTED]

SUBJECT : Stereo Scanning Utility Study (MIS #610069BA)

1. Enclosed for your retention are two copies (#5 and #6) of the first monthly progress report from [REDACTED] on the subject contract. Also enclosed are one copy each of revised Figures 3.2-1, 4-1, and 6-1 of the [REDACTED] proposal for this contract, providing up-to-date scheduling.

2. We are expecting momentarily, [REDACTED] a revised request for IEG support along the lines discussed at the meeting with [REDACTED] on 15 September 1970. A copy will be forwarded to you immediately.

3. We wish to remind you again of our need for a working area for the [REDACTED] test preparation team during the period January - May 1971. Proximity to the members of the IEG Coordinating Committee will enhance the [REDACTED] accomplishment and your assistance in acquiring the temporary use of such a space will be appreciated greatly.

[REDACTED]
Chief, Research & Engineering Division,
NPIC/TSG
